

TAX PLANNING AND COMPLIANCE

YOUR TRUSTED TAX ADVISOR

Guiding you through the maze and complexities of the changing tax laws is a challenge we welcome at Vrakas/Blum. Tax considerations are a major element in business and individual financial planning. Our goal is to maximize your after-tax dollars by using the law to your advantage while avoiding the pitfalls.

Compliance

Our state-of-the-art computer systems and software enhance our efficiency and accuracy in complying with all federal and state taxing authorities. In addition, an extensive tax library and access to numerous on-line search tools makes researching even complex issues quick and effective. Our professionals keep on top of the tax laws and filing requirements of multiple states in order to provide superior service to our clients.

Planning

In today's environment, strategic tax planning can result in substantial savings. Planning requires long-range thinking and constant attention to detail. We offer these skills coupled with a creative approach to your tax decisions. We have the resources necessary to help meet your needs, regardless of complexity.

Communication

The bridge leading to successful tax planning is open communication. We encourage you to call on us with your questions. Tax planning sessions are scheduled in which ideas and strategies are developed specific to you and your needs. Periodically, tax seminars are presented to communicate information to you in a larger forum. Regular communications and tax updates are furnished through our client newsletters and publications.

Specialization

Complex and ever-changing tax laws require specialization. We go one step further by offering a wide range of expertise in specific types of businesses and industries. We can act as your tax department or work in concert with your personnel.

We often serve as the tax professional's professional. Trusted and respected for our expertise, our tax people regularly consult with other CPAs and professionals. We also provide expert testimony in tax matters before judicial proceedings, as well as offer our expertise in dealing with revenue agent examinations and appellate conferences.
